Daffodil is an emotional documentation of a mother's journey via a collection of journal entries, letters and inspirational quotes. It will take you through suspense, drama, physical and emotional abuse, joy and peace.

Demetria Hayes invites you on the courageous journey of her own transformation. A transformation only realized by running, walking, and sometimes crawling through her experiences of bondage, violence and insecurities to Freedom, Forgiveness and the Will to Fight.

When time had passed, and the defeating storm lifted, the leaves of the Daffodil will awaken, begin to heal, bloom and flourish to its full potential.

Like this phenomenal author you too will say, "I have been transformed and made whole."
