Robert Burns: The Patriot Bard Patrick Scott Hogg

Following the 250th anniversary of the birth of Robert Burns (1759-96), Patrick Scott Hogg presents the greatest of Scotland's poets within the true context of his times. Exploding the Burns myth, *Robert Burns: The Patriot Bard* replaces the ram-stam lad of popular cliché with the real, living Burns - a Scottish patriot of the heart, an idealist who wished for 'Freedom and Liberty' for his beloved country, but also a man who was pragmatically a British patriot and risked his life for democratic reform. Here Burns is painted in his native colours as a highly complex, hyper-intelligent writer in both prose and poetry, not the semi-confused, contradictory simpleton of previous biographies. The fascinating legend of Burns as a ladies' man is placed where it should be - as less important than the message of the bard.

The real day-to-day Burns was irascible, stubborn-minded, independent, controversial and opinionated. He detested many of his social superiors within the feudal order and attacked them as hypocrites and oppressors of the common people. The voice of Burns, always in the language of the people, and his idealist vision of a better world endeared him as a poet of humanity 'the world o'er'. Drawing from Burns' existing canon of poetry and letters, plus some newly attributed works suppressed for over two centuries, this life story is a roller-coaster narrative that charts the success and untimely death of the greatest songwriter of all time, the real Robert Burns.

From reader reviews:

Martin Phair:

What do you consider book? It is just for students because they're still students or the item for all people in the world, what the best subject for that? Simply you can be answered for that issue above. Every person has distinct personality and hobby for every other. Don't to be pressured someone or something that they don't would like do that. You must know how great and important the book Robert Burns: The Patriot Bard. All type of book is it possible to see on many resources. You can look for the internet solutions or other social media.

Lela Koehn:

Is it a person who having spare time after that spend it whole day simply by watching television programs or just lying on the bed? Do you need something new? This Robert Burns: The Patriot Bard can be the response, oh how comes? It's a book you know. You are consequently out of date, spending your time by reading in this completely new era is common not a geek activity. So what these books have than the others?

Stanley Torres:

As a university student exactly feel bored to be able to reading. If their teacher requested them to go to the library in order to make summary for some publication, they are complained. Just minor students that has reading's soul or real their pastime. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading really. Any students feel that looking at is not important, boring and also can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Robert Burns: The Patriot Bard can make you sense more interested to read.

Corey Mullen:

Reserve is one of source of understanding. We can add our expertise from it. Not only for students and also native or citizen need book to know the update information of year for you to year. As we know those publications have many advantages. Beside many of us add our knowledge, can also bring us to around the world. With the book Robert Burns: The Patriot Bard we can acquire more advantage. Don't someone to be creative people? For being creative person must prefer to read a book. Just choose the best book that ideal with your aim. Don't be doubt to change your life at this time book Robert Burns: The Patriot Bard. You can more pleasing than now.
