Stormtrooper Families: Homosexuality and Community in the Early Nazi Movement Andrew Wackerfuss

Based on extensive archival work, *Stormtrooper Families* combines stormtrooper personnel records, Nazi Party autobiographies, published and unpublished memoirs, personal letters, court records, and police-surveillance records to paint a picture of the stormtrooper movement as an organic product of its local community, its web of interpersonal relationships, and its intensely emotional internal struggles. Extensive analysis of Nazi-era media across the political spectrum shows how the public debate over homosexuality proved just as important to political outcomes as did the actual presence of homosexuals in fascist and antifascist politics.

As children in the late-imperial period, the stormtroopers witnessed the first German debates over homosexuality and political life. As young adults, they verbally and physically battled over these definitions, bringing conflicts over homosexuality and masculinity into the center of Weimar Germany's most important political debates. *Stormtrooper Families* chronicles the stormtroopers' personal, political, and sexual struggles to explain not only how individual gay men existed within the Nazi movement but also how the public meaning of homosexuality affected fascist and antifascist politics—a public controversy still alive today.

From reader reviews:

Sandra Byrom:

In this 21st centuries, people become competitive in most way. By being competitive currently, people have do something to make all of them survives, being in the middle of the actual crowded place and notice by simply surrounding. One thing that oftentimes many people have underestimated the item for a while is reading. Sure, by reading a publication your ability to survive enhance then having chance to endure than other is high. For you personally who want to start reading a book, we give you that Stormtrooper Families: Homosexuality and Community in the Early Nazi Movement book as starter and daily reading guide. Why, because this book is more than just a book.

Adriana Cornell:

People live in this new time of lifestyle always attempt to and must have the spare time or they will get wide range of stress from both daily life and work. So , once we ask do people have spare time, we will say absolutely yes. People is human not a robot. Then we inquire again, what kind of activity do you have when the spare time coming to you of course your answer will probably unlimited right. Then do you ever try this one, reading guides. It can be your alternative with spending your spare time, typically the book you have read is usually Stormtrooper Families: Homosexuality and Community in the Early Nazi Movement.

Jennifer Witherspoon:

Are you kind of active person, only have 10 or perhaps 15 minute in your time to upgrading your mind talent or thinking skill even analytical thinking? Then you have problem with the book compared to can satisfy your short time to read it because all of this time you only find guide that need more time to be read. Stormtrooper Families: Homosexuality and Community in the Early Nazi Movement can be your answer since it can be read by you who have those short extra time problems.

Stella Neal:

As a scholar exactly feel bored to be able to reading. If their teacher expected them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's soul or real their hobby. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that looking at is not important, boring and also can't see colorful pics on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Stormtrooper Families: Homosexuality and Community in the Early Nazi Movement can make you really feel more interested to read.
