Big Battles of World War II (True Books) Peter Benoit

Over the course of World War II, nations fought countless battles throughout Europe and Asia. Readers will examine some of the war most pivotal conflicts, from the invasion of Normandy on D-Day to the massive Battle of the Bulge. They will also learn how the war started and why it was fought on multiple fronts. The complex text in this title allows readers to determine main ideas and explain how they are supported by key details. The grade-appropriate context helps readers determine the meaning of domain-specific words and phrases as well.
