Ecclesiastes (Baker Commentary on the Old Testament Wisdom and Psalms)

Craig G. Bartholomew

Ecclesiastes (Baker Commentary on the Old Testament Wisdom and Psalms) Craig G. Bartholomew
In this addition to the Baker Commentary on the Old Testament Wisdom and Psalms series, Craig Bartholomew combines a careful exegetical reading of the book of Ecclesiastes with keen theological insights. The series is tailored to the distinctives of poetry and Wisdom literature, featuring emphasis on the message of the biblical book; special attention to poetic structure and literary devices; incisive comments based on the author's translation of the Hebrew text; exegetical rigor that incorporates linguistic, historical, and canonical insights; closing reflections on each section that explore the text's theological dimensions; and textual notes that highlight important features of the Hebrew text.

"Elegant and clear in presentation, with masterful control of the history of interpretation, Bartholomew has made a significant contribution to Ecclesiastes studies. He handles all the critical issues with care and insight and has given us a readable and penetrating portrayal of this enigmatic witness. A new standard."--**Christopher R. Seitz**, professor of biblical interpretation, University of Toronto, Wycliffe College

"Bartholomew provides an exegetically accurate, theologically sensitive, and culturally relevant reading of the enigmatic Qoheleth. For Bartholomew, Ecclesiastes is neither a dusty museum piece confined to ancient history nor an alien treatise limited to a past religious era. Instead, by combining the best historical, linguistic, literary, canonical, theological, and hermeneutical perspectives on this text, Bartholomew treats Ecclesiastes as a dynamic text that speaks powerfully into the (post)modern context of church and culture."--**Mark J. Boda**, professor of Old Testament, McMaster Divinity College, McMaster University

"It is a rare commentary that is both readable and learned. Even rarer is one that immerses readers in the deep questions of life. Bartholomew's new book helps us to think our way through Ecclesiastes and its mazes. More than that, it confronts us anew with the mystery and responsibility of human existence before the face of God."--**Raymond C. Van Leeuwen**, professor of biblical studies, Eastern University
