Gideon the Cutpurse: Being the First Part of the Gideon Trilogy

Linda Buckley-Archer

Gideon the Cutpurse: Being the First Part of the Gideon Trilogy Linda Buckley-Archer
1763.

Gideon Seymour, cutpurse and gentleman, hides from the villainous Tar Man. Suddenly the sky peels away like fabric and from the gaping hole fall two curious-looking children. Peter Schock and Kate Dyer have fallen straight from the twenty-first century, thanks to an experiment with an antigravity machine. Before Gideon and the children have a chance to gather their wits, the Tar Man takes off with the machine -- and Kate and Peter's only chance of getting home. Soon Gideon, Kate, and Peter are swept into a journey through eighteenth-century London and form a bond that, they hope, will stand strong in the face of unfathomable treachery.

Historical detail comes alive as debut author Linda Buckley-Archer weaves the eighteenth-century trials of Gideon, Kate, and Peter with the modern-day worries of their parents and the wily investigator trying to piece together the children's disappearance. A time-travel tale, the first book of the Gideon Trilogy introduces readers to a modern genre all its own.
