The Coin of the Realm Roger Dubin

"With its sure-handed style and literary polish, one is hard-pressed to accept that *The Coin of the Realm* is a first novel. This is pure adventure storytelling, yet intertwined with the eternal quest for truths that lie just beyond our grasp. Seagoing exploits aboard Caroline Coast, a ramshackle freighter, conjure passages of Patrick O'Brian--distinct praise indeed. But whether the scene is set in the Great Lakes, the Atlantic, Tunisia, or the Sahara, the author keeps the pace moving and the excitement high, using action and mystery to skillfully project us into the minds and hearts of his characters. Roger Dubin has proven he's a writer to watch."

- **Anthony Eglin**, author of *The Blue Rose*, *The Lost Gardens*, *Trail of the Wild Rose*, *The Water Lily Cross*, and *Garden of Secrets Past* (St. Martin's Press)

"*The Coin of the Realm* is hard to categorize yet easy to love. On one level it's a gripping thriller with exotic locales, memorable characters, and a compelling romance; while just beneath the surface swirl mysteries of destiny, purpose, the intricate workings of fate, and the ultimate sources of meaning in life. The novel's transcendent themes will haunt the reader long after the 'thrill[er] is gone.' I recommend it most highly."

- **Roy Schoeman**, author of *Salvation is from the Jews* and *Honey from the Rock* (Ignatius Press)
