The New Tower of Babel: Modern Man's Flight from God Dietrich Von Hildebrand

At the dawn of history, some men thrust the Tower of Babel into the sky, seeking to conquer Heaven. In our day, other men imposed the horrors of Nazism and Communism on us, seeking to build a secular Heaven on earth. Defeated in these bloody conflicts, the secularists have renewed their assaults, attempting to achieve with ideas what they've failed to do with bombs and grenades. Right before our eyes, a new Tower of Babel is being build - but this time the architects are using our culture, our schools, and even our children as laborers, mud, and mortar. We are being overwhelmed with distorted concepts of freedom, truth, morality, education, and religion.
