Too often these days, youth hear about global issues such as poverty, human trafficking, and HIV/AIDS, but they don't get practical suggestions on how they can make a positive impact on these problems. The reality is, today's students will be leading the way in the workforce, ministries, and education in a few short years. If they begin to understand their connection to the global community today, just imagine the way they could contribute to improving these issues in future years. *What Can We Do?* offers youth workers an overview of pressing global issues, along with realistic, practical ways their youth ministries can respond. By helping teens understand how their faith intersects with the struggles around the world, these youth groups can have a lasting, worldwide influence. Respected educators and youth ministry veterans Dave Livermore and Terry Linhart give youth workers a thoughtful, deep perspective on the pressing issues facing the world today, while also offering creative solutions for youth groups to get involved and impact the lives of people all around the world.
