Confessions of a Tarot Reader: Practical Advice From This Realm And Beyond Jane Stern

Tarot cards have been used to foretell the future for centuries. Once the domain of the esoteric and mystical, tarot today has many practical applications in the modern world. Jane Stern, a fourth generation tarot reader perhaps best known for *Roadfood*, has given the art of the tarot a very modern spin. Using the twenty-two major arcana cards (the “heart of the tarot”) as chapters, she has gleaned all she has learned over the years and presents *Confessions of a Tarot Reader* as a witty, readable, and useful self-help book. In her own words, the author likes to think of herself as a “psychic Dear Abby,” and by drawing on the wisdom of the tarot deck, to give practical advice in every life situation and lift the veil between this world and the unseen beyond.
