**Drunk in Love [Silver Bullet 13] (Siren Publishing Menage Everlasting ManLove)** Olivia Black  
Drunk in Love [Siren Menage Everlasting ManLove: Erotic Alternative Paranormal Menage a Trois Romance, M/M/M, shape-shifters, HEA] Steve and Brent Perez are married shifters. In the world of paranormals some might think that's odd, considering both men are wolves, but it's the norm for these two. From a very early age they knew they were meant to be together, despite what their homophobic pack might believe. When the anguish of hiding their mating from friends and family becomes too much, they leave home, traveling around the world, performing on stage. While dancing at the Silver Bullet, they are stunned to realize that their mating isn't complete. When two gorgeous go-go dancers start checking Jayson North out, he's not sure what to think. Used to being flirted with in his position as a bartender, Jayson tries to keep his distance. Not an easy feat when the two performers draw him like a magnet. When he learns that they're mates, Jayson is confused. Since working at the shifter-owned bar, he's learned one major rule - mates are sacred. So why are these two wolves checking him out? But someone else thinks that Steve and Brent belongs to him and he's more than willing to get rid of Jayson to keep the two shifters to himself. Mating Jayson is the easy part. Keeping him alive may take more strength than two shifters have. Note: This book contains double anal penetration. \*\* INCLUDES FREE BONUS BOOK: Liam's Mate [Siren Everlasting Classic ManLove: Erotic Alternative Paranormal Romance, M/M, vampires, shape-shifters, HEA] Liam McMillian is looking forward to the future after a tragic past. Wanting to help out the wolf pack that welcomed him in, he gets a job at the Silver Bullet. One night while picking up empty glasses, he notices a gorgeous stranger checking him out from across the room. When the vampire heads down to the dungeon, Liam follows. Oscar Fitzgerald is a regular at the club. When he spots Liam working, the attraction is instantaneous. He heads to the dungeon when his friends arrive and the tiger follows him. What starts out as a sexy game of cat and mouse soon turns something else entirely when the shifter starts to panic.
