Shell Scott. He's a guy with a pistol in his pocket and murder on his mind. The crime world's public enemy number one, this Casanova is a sucker for a damsel in distress. When a pair of lovely legs saunters into his office, he can't help but take the job, even when the case is a killer. Shell has finally met someone who may be his match. She's got a killer body and legs that seem to never end, but where is she hiding her pistol in that painted-on dress? It's tough to keep his mind on the current case, but he's used to distraction and knows all he needs is a stiff drink and a cold shower. He's the man for any case and he welcomes the attractive distractions.
