Meet Jesus and Sam. Evangelist and teacher Brenda Salter McNeil thinks evangelism that only introduces people to Jesus is incomplete. The picture is much larger than that, she claims: Christ's death and resurrection reconcile us to God *and* to each other across gender, race and social lines. Jesus' encounter with the Samaritan woman, introduced here as Brenda's friend Sam, gives you the full picture of gospel reconciliation--reconciliation to God and to each other. In her powerful, prophetic way, Brenda expounds their interaction recorded in John 4 and shares her own story of coming to Christ and learning to relate to other Christians. *A Credible Witness* tells you why both types of reconciliation are necessary, and moves you to be a person whose evangelism happens through a right relationship with God *and* others. "In today's world," Brenda writes, "we too are called to embody more than one type of reconciliation. The good news brings us to God, and it also brings life and healing to a broken, dying and divided world. Anything less is not the gospel."
