Shirley Hazzard

**Cliffs of Fall: And Other Stories** Shirley Hazzard

**From the author of *The Great Fire*, a collection of stories about love and acceptance, expectations and disappointment**

Shirley Hazzard's stories are sharp, sensitive portrayals of moments of crisis. Whether they are set in the Italian countryside or suburban Connecticut, the stories deal with real people and real problems.

In the title piece, a young widow is surprised and ashamed by her lack of grief for her husband. In "A Place in the Country," a young woman has a passionate, guilty affair with her cousin's husband. In "Harold," a gawky, lonely young man finds acceptance and respect through his poetry.

Moving and evocative, these ten stories are written with subtlety, humor, and a keen understanding of the relationships between men and women.
