**From Treaty Peoples to Treaty Nation: A Road Map for All Canadians** Greg Poelzer, Kenneth S. Coates  
Canada is a country founded on relationships and agreements between Indigenous people and newcomers. Although recent court cases have strengthened Aboriginal rights, the cooperative spirit of the treaties is being lost as Canadians engage in endless arguments about First Nations "issues." Greg Poelzer and Ken Coates breathe new life into these debates by looking at approaches that have failed and succeeded in the past and offering all Canadians – from policy makers to concerned citizens – realistic steps forward. The road ahead is clear: if all Canadians take up their responsibilities as treaty peoples, Canada will be a better place for all Canadians.
