## **Life: A User's Manual (Verba Mundi)** Georges Perec

Over twenty years ago, Godine published the first English translation of Georges Perec's masterpiece, *Life A User's Manual*, hailed by the *Times Literary Supplement*, *Boston Globe*, and others as one of the great novels of the century. We are now proud to announce a newly revised twentieth anniversary edition of *Life*. Carefully prepared, with many corrections, this edition of *Life A User's Manual* will be the preferred reference edition for the future. Structured around a single moment in time 8:00 P.M. on June 23, 1975, Perec's spellbinding puzzle begins in an apartment block in the XVIIth arrondissement of Paris where, chapter by chapter, room by room, an extraordinarily rich cast of characters is revealed in a series of tales that are bizarre, unlikely, moving, funny, or (sometimes) quite ordinary.
