Lights, Camera...Travel! Travel stories from screen storytellers including Alec Baldwin, Brooke Shields, Richard E Grant, Neil LaBute, Bruce Beresford and Sandra Bernhard. Since the ancient Greeks, actors have been society's storytellers. And ever since Hollywood first left the back lot, these storytellers have been traveling to far-flung corners of the world to tell those tales. We decided to ask some of the most widely traveled people in the film industry to sit down and tell us their own stories - personal, inspiring, funny, embarrassing and human experiences from their time on the road. Edited by Andrew McCarthy (Pretty in Pink, Less Than Zero, National Geographic Traveler contributing editor) and Don George (A Moveable Feast, Tales from Nowhere, National Geographic Traveler contributing editor).
