Mercy Kill: Star Wars Legends (X-Wing) (Star Wars: X-Wing - Legends Book 10) Aaron Allston
The intrepid spies, pilots, and sharpshooters of Wraith Squadron are back in an all-new *Star Wars* adventure, which transpires just after the events of the *Fate of the Jedi* series!

Three decades have passed since Wraith Squadron carried out its last mission. Taking on the most dangerous and daring operations, the rogues and misfits of the elite X-Wing unit became legends of the Rebellion and the Second Galactic Civil War, before breaking up and going their separate ways. Now their singular skills are back in vital demand—for a tailor-made Wraith Squadron mission.

A powerful general in the Galactic Alliance Army, once renowned for his valor, is suspected of participating in the infamous Lecersen Conspiracy, which nearly toppled the Alliance back into the merciless hands of the Empire. With orders to expose and apprehend the traitor—and license to do so by any and all means—the Wraiths will become thieves, pirates, impostors, forgers . . . and targets, as they put their guts, their guns, and their riskiest game plan to the test against the most lethal of adversaries.

“A rare entry point for newbies to the *Star Wars* expanded universe.”—*Kirkus Reviews*

Features a bonus section following the novel that includes a primer on the *Star Wars* expanded universe, and more than half a dozen excerpts from some of the most popular *Star Wars* books of the last thirty years!
