México, 1808-1821. Las ideas y los hombres (Spanish Edition) Pilar Gonzalbo, Andrés Lira
Como una aportación a las nuevas perspectivas históricas, esta obra centra su temática en dos aspectos esenciales: las ideologías y prácticas de la política monárquica e insurgente y las personalidades de quienes vivieron en tiempos de crisis, tanto los que tomaron partido por uno de los dos bandos como los que involuntariamente fueron víctimas de las circunstancias y pudieron convertirse en héroes o villanos según la mirada de los historiadores. La epopeya militar provocó cambios políticos que afectaron a todos los habitantes de la Nueva España, pero las ideologías y los proyectos políticos rara vez llegaron a plasmarse en reformas reales. Realistas o insurgentes, religiosos o librepensadores, defensores de ideales políticos o de sus intereses materiales, en todos influyeron de algún modo los acontecimientos, que no se limitaron a cambios políticos sino que abrieron expectativas para un futuro cambio, si bien más remoto, en el orden social.
