## **Where the Money Went: Stories** Kevin Canty

In these nine surprising stories about love and the desertion of love, a father contemplates his bank balance amid receipts for ski vacations; a real-estate agent tries to sell a house while his small son bites other children; and a widower, resigned to television for company, discovers the pleasures of life with another woman. In Kevin Canty's masterful collection, men convey the bitterness, tenderness, and humor of romantic relationships. Rarely is a man so revealing.

*From the Trade Paperback edition.*

### From reader reviews:

#### **Jennifer Bryan:**

Reading a guide tends to be new life style on this era globalization. With studying you can get a lot of information that may give you benefit in your life. Together with book everyone in this world can easily share their idea. Guides can also inspire a lot of people. A lot of author can inspire their very own reader with their story or perhaps their experience. Not only the storyplot that share in the textbooks. But also they write about the data about something that you need instance. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that exist now. The authors on earth always try to improve their ability in writing, they also doing some analysis before they write for their book. One of them is this Where the Money Went: Stories.

#### **Samuel Potter:**

Reading a book being new life style in this season; every people loves to examine a book. When you study a book you can get a large amount of benefit. When you read textbooks, you can improve your knowledge, since book has a lot of information in it. The information that you will get depend on what forms of book that you have read. If you wish to get information about your review, you can read education books, but if you want to entertain yourself read a fiction books, such us novel, comics, along with soon. The Where the Money Went: Stories will give you new experience in examining a book.

#### **Sheila Messina:**

Many people spending their period by playing outside having friends, fun activity together with family or just watching TV the whole day. You can have new activity to spend your whole day by reading through a book. Ugh, think reading a book can definitely hard because you have to bring the book everywhere? It ok you can have the e-book, delivering everywhere you want in your Mobile phone. Like Where the Money Went: Stories which is obtaining the e-book version. So , try out this book? Let's observe.

#### **Nancy Williams:**

That reserve can make you to feel relax. That book Where the Money Went: Stories was bright colored and of course has pictures on the website. As we know that book Where the Money Went: Stories has many kinds or genre. Start from kids until teenagers. For example Naruto or Investigator Conan you can read and feel that you are the character on there. So , not at all of book tend to be make you bored, any it offers you feel happy, fun and chill out. Try to choose the best book for you personally and try to like reading which.
