Shaun Manning

Interesting Drug Shaun Manning

WHY BOOM! LOVES IT: If you could take a pill and travel back to any time in your life, where would you go? Writer Shaun Manning hooked us with his fresh sci-fi thriller, illuminating the dangers of living in the past.

WHY YOU'LL LOVE IT: If Richard Linklater (*A SCANNER DARKLY*) directed a season of *BREAKING BAD* written by J. J. Abrams, it'd probably be pretty close to what Manning and Wieszczyk have built—a tripped-out psychological thriller full of scrappy anti-heroes and some of the most villainous scum of all space and time.

WHAT IT'S ABOUT: When a man from the future recruits average retail worker Andrew Smith to help him create a drug that will allow him to travel through time, Andrew thinks he's found the way to erase all his problems. However, the power of nostalgia proves to be the strongest of drugs, creating an epidemic of addiction with Andrew as its unwitting kingpin.

From reader reviews:

Virginia Mack:

Information is provisions for those to get better life, information nowadays can get by anyone with everywhere. The information can be a expertise or any news even restricted. What people must be consider any time those information which is from the former life are challenging be find than now could be taking seriously which one works to believe or which one the resource are convinced. If you find the unstable resource then you buy it as your main information we will see huge disadvantage for you. All of those possibilities will not happen in you if you take Interesting Drug as the daily resource information.

Cleveland Wheeler:

Do you really one of the book lovers? If so, do you ever feeling doubt when you are in the book store? Make an effort to pick one book that you just dont know the inside because don't assess book by its protect may doesn't work the following is difficult job because you are afraid that the inside maybe not as fantastic as in the outside search likes. Maybe you answer might be Interesting Drug why because the amazing cover that make you consider about the content will not disappoint a person. The inside or content is usually fantastic as the outside or perhaps cover. Your reading 6th sense will directly direct you to pick up this book.

Helen Perez:

Are you kind of hectic person, only have 10 or perhaps 15 minute in your time to upgrading your mind ability or thinking skill even analytical thinking? Then you have problem with the book than can satisfy your short period of time to read it because this all time you only find book that need more time to be read. Interesting Drug can be your answer mainly because it can be read by an individual who have those short extra time problems.

Roberto Garcia:

A lot of publication has printed but it differs from the others. You can get it by world wide web on social media. You can choose the best book for you, science, comedian, novel, or whatever by simply searching from it. It is known as of book Interesting Drug. You can include your knowledge by it. Without leaving the printed book, it could add your knowledge and make you happier to read. It is most essential that, you must aware about reserve. It can bring you from one spot to other place.
