This book reveals symbols, used so abundantly, in the Old, and New Testaments, what they mean, what they are telling us. Symbols say much more than words. Capitals, in lower case first letters, of words, also tell a great deal. For example, should "holy spirit" be capitalized? Most times no, because, though God is Spirit, Himself, the "holy spirit" is your own spirit, wedded to the Spirit (the Almighty). It is in union with God, but it is, in part, your own spirit. How much is God, how much "you," depends on you!
