Have you ever wondered how you can bring greater depth and clarity to your Tarot readings? Have you struggled to understand just what exactly is going on in your card readings, and how the cards relate to the object of the reading? For the first time, this book shows how the professionals use secret techniques that take Tarot readings to new and exciting levels. It goes beyond the surface levels of the Tarot spread and explores the hidden depths. It explains how to decode those parts of a Tarot spread that seem to make no sense and how to break out of readings that seem to have become "stuck". Using the power of the elemental symbolism of the cards, combined with numerological techniques, this book cracks the "celtic cross" spread wide open to reveal exciting new levels of insight. Paul Hughes-Barlow is a master Tarot reader and occultist. He has previously published *The Tarot and the Magus*. Catherine Chapman is a Tarot reader, author, student, business woman and mother.
