Grandma Was Right after All!: Practical Parenting Wisdom from the Good Old Days John Rosemond
Today's parents are all but completely disconnected from the commonsense parenting wisdom of their parents and grandparents. The self-esteem parenting revolution has erased the practical insights gathered by generations of parents about the best way to raise kids. In this book, John Rosemond seeks to recover this wisdom by resurrecting what parents of yesteryear tended to say. Maxims such as "because I said so," "children should be seen not heard," and "you're acting too big for your britches" are more than cute sayings for John. They are parenting principles, springing from a biblical view of the world. John makes the case that these principles from the good old days are just as valid today and will help parents to pass on values to their kids so that they can succeed at life. Grandma was right after all!
