Edgar Allan Poe

Tales of Mystery and Imagination (Macmillan Collector's Library Book 109) Edgar Allan Poe

This collection of Poe's work contains some of the most exciting and haunting stories ever written. They range from the poetic to the mysterious to the darkly comic, yet all possess the genius for the grotesque that defines Poe's writing. They are peopled with neurotics and social outcasts, obsessed with nameless terrors or preoccupied with seemingly unsolvable mysteries. 'The Tell-Tale Heart' and 'The Fall of the House of Usher' are key works in the horror canon, while in the 'The Murders in the Rue Morgue' and 'The Mystery of Marie Roget' we find the origins of modern detective fiction. Collectively, these tales represent the best of Edgar Allan Poe's prose work before his premature death in 1849.

This Macmillan Collector's Library edition features an afterword by Jonty Claypole.

Designed to appeal to the booklover, Macmillan Collector's Library is a series of beautifully bound hardback gift editions of much loved classic titles. Bound in real cloth, printed on high quality paper, and featuring ribbon markers and gilt edges, Macmillan Collector's Library are books to love and treasure.
