1 broken down mare

2 baby lambs

3 lost teens

And a busted up bronc rider with more balls than brains. . .

They all add up to trouble in Casie Carmichael's book. She's come back to Hope Springs, South Dakota, with only one thing in mind--selling the family's tumble-down ranch and returning to Sioux Falls and her very practical fiancé. But leaving isn't as easy as she imagined, not when every bedraggled stray in the territory has a homing beam straight to her barn.

Suddenly, angry parents, hairless goats and a former flame's new heat aren't Casie's most pressing problems. Her own mixed-up heart is at the top of the list, and as she throws herself into making a safe haven for her motley crew, she realizes home is a lot closer than she thought.
