Story Behind the Book

Before she became a platform speaker, Liz Curtis Higgs spent ten years as a successful radio personality, moving town to town, up and down the dial. In *Mixed Signals*, Liz draws on that memorable decade to create WPER, an oldies station in Abingdon, Virginia. The Barter Theater was included with thanks to her experience with amateur drama productions, and the ten hot-air balloon ascents she weathered while a broadcaster were also put to use. Her heroine, Belle, marries a radio station engineer...just as Liz did nearly twenty years ago. But there the parallels end in this winsome tale with *two* happy endings.
