My Life as a 10-Year-Old Boy Nancy Cartwright

Nancy Cartwright is the ultimate *Simpsons* insider. Her raspy, childlike voice is immediately recognizable as none other than Bart Simpson, the most precocious, irreverent, and intriguing 10-year-old ever to enter the American consciousness.

In this behind-the-scenes story, Nancy Cartwright tells of the *Simpsons*' early days, when the cast was given a closet-sized space to record commercial bumpers for *The Tracey Ullman Show*. She traces the *Simpsons*' rapid rise to wild popularity, offers hilarious anecdotes about cast members and guest stars including Mel Gibson, Meryl Streep, and Elizabeth Taylor, and explains what goes into making the half-hour animated series. And she reveals what it's like to be at the center of an American institution, one that reinvented the sitcom, rocked the networks to the core, and changed forever the face of American television.

Packed with more information than has ever been revealed about the longest-running animated show, here is the perfect book for the millions of *Simpsons* fans who can't get enough of America's favorite dysfunctional family.
