Promising Young Women

Suzanne Scanlon

Promising Young Women Suzanne Scanlon

A series of fragmentary tales tells the story of Lizzie, a young woman who, in her early twenties, unexpectedly embarks on a journey through psychiatric institutions, a journey that will end up lasting many years. With echoes of Sylvia Plath, and against a cultural backdrop that includes Shakespeare, Woody Allen, and *Heathers*, Suzanne Scanlon's first novel is both a deeply moving account of a life of crisis and a brilliantly original work of art.
