THE MASTER MIND: The Key to Mental Power, Development and Efficiency (Personal Development) Theron Q. Dumont

Are you a mental slave, your mind the servant of outside forces? Would you rather be a mental master, your thoughts taking charge not only of mind and body, but destiny? Theron Q. Dumont, a pioneer of the early 20th century's New Thought movement, here gives practical, step-by-step instruction on mastering control of not only the conscious mind but, more importantly, "those marvelous faculties which operate on the subconscious planes." This is a how-to book for any person-of any era-ready to take charge of his or her life.

American writer WILLIAM WALKER ATKINSON (1862-1932) was editor of the popular magazine New Thought from 1901 to 1905, and editor of the journal Advanced Thought from 1916 to 1919. He authored dozens of New Thought books under numerous pseudonyms, including Yogi Ramacharaka, Theron Q. Dumont, and some that are likely still unknown today.
