The Shadow Tracer Meg Gardiner

Sarah Keller is a skip tracer, tracking criminals who have gone on the lam. She's also a single mother to five-year-old Zoe, living quietly in small-town Oklahoma—until an accident sends Zoe to the ER, and their life changes in a heartbeat. Medical tests reveal a desperate secret Sarah has been hiding for years: Zoe is not her daughter, but rather a girl once rescued from a nightmare of murder, vengeance, and harrowing family ties she can't possibly remember. Sarah does. And someone wants to make sure she never forgets.

Now Sarah must abandon her carefully constructed life and take Zoe on the run. Using her knowledge as a skip tracer to stay off the grid, she must remain one step ahead of her pursuers if she is to stay alive, save Zoe, and bury the past once and for all.

Shirley Henderson:

As a scholar exactly feel bored to reading. If their teacher inquired them to go to the library or to make summary for some book, they are complained. Just very little students that has reading's heart and soul or real their pastime. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that reading through is not important, boring and also can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this The Shadow Tracer can make you really feel more interested to read.
