**Un largo camino de mil años: Lo que aprendí al redactar mi vida (Spanish Edition)** Donald Miller

Lleno de anécdotas hermosas, hilarantes y conmovedoras, *Un largo camino de mil años* relata la oportunidad de un hombre de editar su vida como si fuera un personaje de una película.

Algunos años después de haber escrito un libro con sus memorias, el que se convirtió en un éxito de ventas, Donald Miller cayó en una profunda depresión y pasó varios meses durmiendo y evitando a su editor. Había terminado una historia, y Don no estaba seguro de cómo comenzar la siguiente.

Pero dos productores que deseaban filmar una película basada en sus memorias lo rescatan. Cuando comienzan a adaptar la vida de Don para el cine, y transforman una biografía llena de divagaciones en una narrativa bien estructurada, el Don de carne y hueso inicia una travesía para editar su verdadera vida y transformarla en una historia mejor. *Un largo camino de mil años* cuenta esa travesía en detalle, desafía al lector a que recapacite sobre las metas que persigue en la vida y muestra cómo obtener una segunda oportunidad en la vida sin tener que volver a empezar.
