Broken Bones Donald Davis

This is a double set of double stories. The first set is made up of a story my Grandmother told me about when my mother broke her arm...twice! The second story in this set is my story of when we broke my little brother's collarbone...twice! It is about how trouble is genetic in families. The second set follows up with the same neighbor boys, the Leatherwoods, and shows what happens when two big brothers team up against two little brothers. It also shows us that fathers are always smarter than their sons!
