Miracles Through Pranic Healing is the basic text used in Pranic Healing classes all over the US. These techniques are now being used by over 100 doctors in hospitals. Anyone can learn to heal, it only takes the willingness to do so. By working with the energy systems that surround the body, the pranic practitioner learns to identify disease energy and removes it with visualization and hand motions. Using the same techniques, the practitioner then replaces it with life force energy that helps the body return to balance and heal itself.
