The Campaign of the Marne Sewell Tyng

A masterly account of the First World War in the West.—John Keegan

"A distinguished piece of historical writing."—Journal of Modern History

"Admirable... clear and interesting."—Foreign Affairs

"Direct and clear... it lays bare a most complicated course of events so that even the layman can follow."—New Republic

With diplomacy unraveling during the summer of 1914, Germany swept into Belgium during the first week of August in an audacious attempt to catch France and England off guard. First contemplated after the Franco-Prussian War, the Schlieffen Plan was designed to keep Germany from fighting on two fronts. With a quick and decisive victory over France and its allies to the west, Germany could then confront Russia to the east. Despite the surprise of Germany's initial advance, the plan ultimately failed because it required much more mobile troops than were available at the time - something that would have to await the mechanized blitzkrieg of World War II—allowing France and British Expeditionary Forces to establish a tenacious defense. What followed was a stalemate along the Marne River and the beginning of four long years of destructive trench warfare that would only be lifted by a joint French, British, and American offensive across this same river plain in 1918. In *The Campaign of the Marne*, the entire genesis of the Schlieffen Plan, its modification, implementation, and the complex series of grueling battles that followed is laid out with the intent to make the entire episode comprehensible to the general reader. Hailed as one of the 100 best nonfiction books of the twentieth century by eminent military historian John Keegan, this is the first time the book has been available since its original publication in 1935.

From reader reviews:

Evelina Soria:

Book is actually written, printed, or highlighted for everything. You can recognize everything you want by a publication. Book has a different type. As we know that book is important point to bring us around the world. Adjacent to that you can your reading skill was fluently. A reserve The Campaign of the Marne will make you to always be smarter. You can feel a lot more confidence if you can know about every little thing. But some of you think this open or reading the book make you bored. It isn't make you fun. Why they could be thought like that? Have you looking for best book or acceptable book with you?

Sally Norman:

Typically the book The Campaign of the Marne will bring one to the new experience of reading any book. The author style to clarify the idea is very unique. In the event you try to find new book to study, this book very suited to you. The book The Campaign of the Marne is much recommended to you you just read. You can also get the e-book in the official web site, so you can more easily to read the book.

Gregory McKinney:

This The Campaign of the Marne is great publication for you because the content that is certainly full of information for you who all always deal with world and possess to make decision every minute. This book reveal it facts accurately using great coordinate word or we can state no rambling sentences included. So if you are read that hurriedly you can have whole info in it. Doesn't mean it only gives you straight forward sentences but challenging core information with attractive delivering sentences. Having The Campaign of the Marne in your hand like finding the world in your arm, data in it is not ridiculous one particular. We can say that no publication that offer you world in ten or fifteen small right but this e-book already do that. So , it is good reading book. Hello Mr. and Mrs. busy do you still doubt that will?

Grace Harrell:

Many people spending their time period by playing outside along with friends, fun activity along with family or just watching TV all day long. You can have new activity to enjoy your whole day by studying a book. Ugh, think reading a book can definitely hard because you have to use the book everywhere? It okay you can have the e-book, getting everywhere you want in your Cell phone. Like The Campaign of the Marne which is keeping the e-book version. So , why not try out this book? Let's view.
