The Nazi Years: A Documentary History

Joachim Remak

The Nazi Years: A Documentary History Joachim Remak

The Nazi Years brings together documents that tell the whole essential story of National Socialism, from its obscure ideological beginnings to its seizure of power to the exercise of that power in Germany and abroad—to the bitter end of the Third Reich. Historian Joachim Remak has collected, and has introduced with illuminating commentaries, key letters, speeches, memoirs, political tracts, secret memos and tabulations—written by the actors, victims, or simple witnesses of the time. Here is the fanatical enthusiasm of dedicated Nazis as revealed in their own writings—a catalog of anti-Semitism and propaganda, volkisch idealism and pan-Germanism, ideas of “natural selection” and “race eugenics.” Here too is the history of sincere but ill-fated resistance to Nazism by church people and plain citizens, of the anti-Nazi underground, and of Count von Stauffenberg’s plot to assassinate Hitler. Now available from Waveland Press, these vivid accounts by Germans at every level of society and of every political and moral persuasion provide a shattering view of one of the most terrible, tempestuous periods of modern history.
